Kingston Centre for Continuing Secondary Education

**Introduction**

This page presents a summary of results of the annual *Next Step* survey for Kingston Centre for Continuing Secondary Education. The *Next Step* survey, undertaken by the Queensland Government, targets all students who completed Year 12 and gained a Senior Statement in 2015, whether they attended a state, Catholic or independent school, or a TAFE secondary college. The Queensland Government Statistician’s Office conducted the survey between March and June 2016, approximately six months after the young people left school. Responses were collected online and via computer-assisted telephone interviewing.

Statewide and regional reports from the *Next Step* survey will be available on the *Next Step* website in September 2016 at [www.education.qld.gov.au/nextstep](http://www.education.qld.gov.au/nextstep).

**Definitions of main destinations**

The pathways of Year 12 completers were categorised into ten main destinations. Year 12 completers who were both studying and working were reported as studying for their main destination. A table defining these categories can be found in the statewide report at [www.education.qld.gov.au/nextstep](http://www.education.qld.gov.au/nextstep).

**Summary of findings**

In 2016, 38.3% of young people who completed Year 12 at Kingston Centre for Continuing Secondary Education in 2015 continued in some recognised form of education and training in the year after they left school.

The most common study destination was VET Certificate I–II (12.8%). The combined VET study destinations accounted for 34.0% of respondents, including 25.5% in campus-based VET programs, with 6.4% of Year 12 completers entering programs at Certificate IV level or higher. A further 4.3% of respondents were studying a Bachelor Degree.

8.5% commenced employment-based training, either as an apprentice (6.4%) or trainee (2.1%).

In addition to the above study destinations, a further 2.1% of respondents from this school deferred a tertiary offer in 2016 (deferrers are included in their current destination).

61.7% did not enter post-school education or training, and were either employed (29.8%), seeking work (27.7%) or not in the labour force, education or training (4.3%).
