

REACH Class Application

Thank you for your interest in participating in one or more of the REACH Classes at Kingston State College.

REACH Classes exist for each year level 7 to 10 with high performance students timetabled together in one or more of the four for core subjects - English, Humanities, Mathematics and Science. Students in these classes benefit from:

- Expert subject area teachers with special training in differentiation for highly able students
- Engagement with students who work at a similar pace and level of complexity
- Increased expectation to take ownership of their learning pathways
- The opportunity to work at appropriate degrees of challenge and independence
- Participation in enrichment activities and various extracurricular activities and excursions

REACH classes in 7-10 have 1 class per year level per subject and are capped at 28 students.

REACH Class students, in all subjects, are expected to:

- Maintain their academic standards in their class/es
- Uphold a high standard of attendance, effort and behaviour
- Comply with uniform requirements at all times
- Self-nominate for participation in activities
- Complete of all required paperwork for enrichment activities and its return by set deadlines
- Attend meetings / practices / rehearsals both in and outside of school hours
- Complete set homework tasks by deadlines
- Commit to catching up on any class work missed due to participation in enrichment activities
- Manage commitments in and outside of school
- Ensure their schools fees are paid in full

To apply for selection into an REACH Class, students are required to:

- Complete this application form
- Gather copies of required supporting evidence
- Submit all documents to the main office no later than **30th November**.

Notification of acceptance will be communicated to families by **Week 10, Term 4**.
